Mr. William M. Brooks
Sports Director
Radio Station WDBS
Hanover, N.H.

Dear Bill,

Many thanks for your kind letter. It amply rewarded the work put in on the program.

We were also considering using records by the Harvard Band, until we found that one record in the album was broken--the Yale medley. Oh, well...

I have in my possession at the moment Princeton's interview, which one of the local stations will transfer onto a disc for us today. We will use it tomorrow night, as will WPRU, using the HP we sent down there.

You will be glad to know that we are about to order the latest model Presto tape recorder, or maybe the Magnecorder if the technical boys change their minds. This will facilitate an inexpensive transfer of interviews, and it is not at all impossible that a general format might be worked up so that each station could have two or three of these programs a week, if we could get Harvard and Pennsylvania on the ball, and if they have tape facilities. It's something to kick around in your mind, and for the Ivy business department here to consider.

I am very glad you and Charlie Wulfinf are getting together. He and I will probably have a long bull session about things in general this weekend, which I am looking forward to.

Cordially yours,

Howard Eaton, Jr.
Ass't. Program Director
